

These straightforward instructions guide you through updating your public profile.

PRACTITIONERS – Add Your Profile

Once you have qualified as a Matrix Practitioner, you must request an account upgrade. This option can be found under the Member's Area' tab.

Welcome to the Official Matrix Reimprinting Website.

Browse our directory to find a qualified Matrix Reimprinting practitioner in your area. If you'd like to become a practitioner yourself and integrate Matrix Reimprinting into your practice, explore our training courses, available worldwide and in multiple languages.

After submitting your request and entering your insurance details, you will receive an email confirming your upgrade. Additionally, new tabs will appear in the navigation menu. Please note that the upgrade is a manual process and not immediate; however, we strive to complete requests as quickly as possible, typically within one day.

Once you have been upgraded. Select “Edit Profile”.

Edit Profile

Enter your profile image. Ensure that your image is no larger than 1000 pixels to avoid display issues. ***500 X 500 is highly recommended.***

PLEASE NOT THAT YOUR PROFILE WILL NOT SHOW IN THE LISTINGS WITHOUT AN IMAGE UPLOADED.
